#### Wants Pay For Bad Check

Worthington & Cochran, attorneys, have filed suit in the Circuit Court for the American National Bank of Louisville vs. the old Dover Citizens' Bank alleging that a check for \$350 drawn by one W. C. Allen was cashed by said bank named bank and never paid by the Dover Bank.

The episode recalls the suicide and bank-breaking of Fawcett.

#### LOCAL OPTION FIGHT

Looks Like the Temperance People  
Are Going To Precipitate a  
Vote in Mason County

It has been a mooted question as to whether or not there would be a vote in Mason county under the new County Unit law regarding the sale of liquor in this county.

During the past week it seems the temperance people have been quietly organizing with a view to voting upon the local option question in this county in an endeavor to include Maysville in the zone of erid territory.

There are many who think and declare that if put to a vote the vote will win as there are hundreds who see the folly of local option, so-called, under the present general condition of things in all local option towns.

However, be that as it may, judging from the unbroken circular letter, a copy of which appears in this morning's Lexington Herald from its Maysville correspondent, the drys are preparing to throw their hat into the ring and call for a show-down of ballots on the question.

Under the present new county unit local option law a vote in this county cannot be taken until this fall.

Following is a copy of the letter being sent out to hundreds in this county feeling the public pulse as to the wet and dry situation:

MAYSVILLE, KY., May 27th, 1912.

Dear Sir: We, as a committee of three have been appointed to write to a few representative men in each voting precinct of the county to try and find out if the people of Mason county want the liquor traffic out or not. We ask you to kindly fill out the enclosed answers at once, so we can go before a body of men of Maysville this coming Friday night and read your answers. You might ask the men you know that are interested. Everything to be kept as quiet and secretly as possible until we are decided what we will do. Chairman of Committee, THOS. DICKSON, GEO. H. FRANK, PAUL GLABOCK.

Here is the list of questions:  
1. Do you think we can win?  
2. Is the time for action now?  
3. Can we count on you?  
4. Will the men of the county take a leading part in every way possible?  
5. Will you come in some day and meet with us?  
6. What do you think your precinct will give as a majority in favor of or against us?

#### WEATHER REPORT

FAIR TUESDAY AND WEDNESDAY.

#### Turnkey Fizer Some Runner

Night Turnkey Omer Dodana Fizer of the County Jail force had a merry chase last night at 7:30 in the West End.

John Darnall, an escaped city jailbird, who was serving time at hard labor for booting up an old and defenseless citizen, was seen by Fizer last evening, but Darnall also saw Fizer and the two had a 2 minute foot race down in Wall street. Darnall made his escape by dodging into a convenient hiding place where evidently some pal helped him make a clean getaway.

Fizer says he will nab the bad man yet and if Darnall is wise he will hike back to the Hotel de Etel.

#### NO CIRCUS CATCH

Aquatic Regatta in Which Four  
Sheriffs and a Circus Made  
Pretty River Race

A big free river regatta was enacted on the Ohio yesterday.

Crawford's Big Southern Shows, traveling by boat and showing in river towns, were attached for back salaries here Saturday night by members of its band. Deputy Sheriff Mike Brown allowed them to put their paraphernalia on a barge this morning, and while he was at dinner they escaped from his substitute watchman.

Brown, learning of their departure, chartered a motor boat, and with several citizens heavily armed made a quick follow. They caught up with the showmen at Ripley, O., but were unable to get close enough to board the fleeing boat on account of the waves sweeping over the launch.

Sheriff Mackoy and Deputy Clark followed later on a train, hoping to head off the escaping showmen lower down the river.

The show company was organized at Cincinnati several weeks ago and had been playing to poor business.

The last news from the flying Sheriffs came this a. m. at 7:30, as follows:

"All o. k. Nothing doing; boat located."

It's dollars to votes that the law will be vindicated.

In the meantime, Maysville has a fine, large, healthy band of Italian masclanes on hand, who want their circus money.

This band is some performer and we'll likely hear them tonight.

## Silk Kimonas

Kimona is hardly a correct word to use as these handsome negligees are all made with the skirt attached to a short waist with piping, cord or belt, which makes the garment look more like an empire dress than a kimona.

The Esplanade is now being transformed into a beauty-spot instead of a noisome roost for loafers. It is said that Mayor Lee will turn the water into the fountain this week, the

Dieterich, the florist, has planted the plot around the trees with flowering herbs and plants and this summer the public square will look fresh and inviting, especially on the hot, dry afternoons and evenings.

FOR PRESIDENT,  
WILLIAM HOWARD TAFT.

Colonel Roosevelt is so bitterly disappointed in the man he chose as his successor that, if elected again, he may conclude it wouldn't be safe to have another successor.—Kansas City Journal.

It is now a well known fact that the average prison is no less than a tuberculosis death-trap. From 40 to 60 per cent of all deaths in prison are due to tuberculosis, and no thought or remedy suggested.

The attack on the character of the dictagraph seems to have failed. There is one witness that cannot perjure himself. It tells the truth, like the scratch of a glacier.

Thus science comes nimble up to the support of justice. It is a terrible thing, in the course of a trial, to have finesse, theorizing, eloquent protest knocked flat by a blunt fact. Of course, some people can't believe it, just as they can't believe the arc light, the wireless, radio-activity, the speed of a corpuscle, or the distance to Sirius. What a small world they would make of this!

The dictagraph is doing very well for an infant. After while, when it is grown it will be made an aid to the publicity bureau and one will be put in the governor's office, the finance and judiciary committee rooms, in the mayor's office, in the political rooms of all parties, so the people will know all about their business, on the inside and outside. What right has public business with any secrets anyhow? Come, let the truth be known, and let the dictagraph, its apostle, be used throughout the land.—Ohio State Journal.

## Political Pickings

*Baltimore American:* The cowboys call him Teddy, the Tornado.

*Atlanta Constitution:* We refer Messrs. Taft and Roosevelt to the language of Arabia, which is said to excel all others in epithets.

*Philadelphia Inquirer:* "I want Ohio to stand with us in this fight."—Theodore Roosevelt at Steubenville. Always the great "I."

*St. Louis Times:* The new book, "The Fall Guy," is declared not to be a biography of Senator La Follette.

*New York World:* In spite of the little diversion on the subject of highballs and cock-tails, the issue in the Roosevelt campaign is the third cup of coffee.

*St. Louis Republic:* The trouble with this country, as an alliterative Burchard of 1912 might remark, is rum, radicalism and Roosevelt.

*St. Louis Post-Dispatch:* Roosevelt has carried Ohio. He has carried it clear out of the Republican party and handed it to the Democrats.

*Detroit News:* In the retirement of W. Murray Crane the Federal Senate loses its greatest orator. He never made a speech.

*Washington Post:* Speaking of a return to the days of Rome, T. R. is certainly a great seizer.

The Wild Man of Borneo is dead, but thank God, Theodore Roosevelt still lives.—Louisville Herald.

The cigarette habit is certainly one of the very worst habits that attack the boyhood, and therefore the manhood of this nation; there is no question that it is one of the leading factors in the criminality of a large per cent of the younger boys in the reformatory institutions of the nation, and every effort to eliminate this evil deserves the encouragement of the American people. I sometimes wish I could give up the bench for a year or two to get out and help in a sort of evangelical work in fighting the causes of juvenile weakness, misery and crime.—Judge Ben B. Lindsay.

## Theodore I.

*New York Post:*—That the Roosevelt campaign means making ducks and drakes of the old Republican party there can be no reasonable doubt.

*Philadelphia Public Ledger:*—Mr. Roosevelt, before his career has run, will awaken the country to the enormity of the adventure that he has undertaken and to the danger of the incoherent character of all the demagogues which constitute his platform; and with the dismissal of the party-wrecker will go the menace which he carries of evil to the republic and its institutions.

*Boston Transcript:*—The fight in the convention will be to a finish, and it will begin, in all probability, with a spirit on both sides almost approximating personal hostility.

*Providence Bulletin:*—The chief result of the primary in New Jersey is to compel the conviction that Mr. Taft can no longer hope to succeed himself as President of the United States.

*New York Times:*—The rhinoceros tosses his fies on his horn; Mr. Roosevelt stands them on their heads, or knocks them over the ropes. \* \* \* The Republicans of the olden day had the fighting quality. Has it wholly fled from them? If Mr. Roosevelt wants to fight why not let him have his fill of fighting?

*Pittsburgh Post:*—The Republican party may have gone mad, but not the American people.

*Chicago Inter Ocean:*—The question to be decided is whether the chosen representatives of the Republican party have manhood enough to stand up against this howling demagogue and strength enough to put him down in the place where he belongs.

*Buffalo Commercial:*—He will rule the convention and force the other fellows to bolt—or eat crow. But then what? Apres moi le deluge.

*Brooklyn Eagle:*—The New Jersey result settles nothing and aggravates everything in Republicanism, which more resembles a disorderly house than a national party organization.

ONE WAS A STRANGER.

*Indianapolis News.*

Two old scouts were going home one night after a convivial session at a public house. The affair was in the traditional manner as immortalized by Bobby Burns. Fearing trouble ahead as the light in the distant cottage window became apparent, Sandy said to Donald: "Donald, I'll walk ahead of ye and ye tell me if I'm walking stert anebst."

Donald watched Sandy carefully, and then remarked: "Sandy, mon, ye're walkin' fine; but who's that drunken loafer with ye?"

## MRS. LARAMORE TELLS TROUBLES

Lady in Goodwater Describes Her Distressing Experience and Tells How She Was Finally Relieved.

Goodwater, Mo.—"Ever since I was a little girl," says Mrs. Riley Laramore, "I was a great sufferer from dyspepsia. I suffered misery after eating, and had terrible heartburn."

I thought I had to suffer this way as long as I lived, but when I began to take Theodor's Black-Draught, in small doses, every night, the heartburn was all gone in a few days, and I could eat without distress.

I took two small packages in all, and although that was some time ago, the dyspepsia has not returned.

I speak a good word for Theodor's Black-Draught whenever I have the opportunity.

If eating causes distress, we urge you to try Theodor's Black-Draught. It cleanses the system, helps the stomach to digest its food, regulates the bowels, and stimulates the liver.

It acts gently and is without bad after-effects. Try it. Price 25c.

## NATIONAL COMMITTEEMEN

### Arrive in Chicago to Prepare For Hearing of Contests

CHICAGO, June 1st.—With the arrival of several members of the National Committee, among them Pearl Wight of Louisiana, in addition to the active heads of the Subcommittee on Arrangements, the preliminary to the National Convention took on a business-like turn late today.

Secretary William Hayward announced that a total of 228 contests for seats had been filed to date. The arrangements for the work of the committee in hearing contests practically had been completed tonight. The hearings have been set for June 15th.

Colonel Harry S. New of Indianapolis, Chairman of the Subcommittee on Arrangements, tonight said that it would be physically impossible to take care of more than 4,000 newspapers which within the last few days have indicated a desire to be accommodated with seats for their representatives.

"Originally there were 434 press seats," said Colonel New. "That number has been increased to 534, and that is the final limit. The allotments have all been made, and there will be no additions or changes."

## WEEK BY WEEK

### Each Week Appear the Statements of Maysville Residents

Last week it was a Maysville citizen who spoke. The week before it was a Maysville citizen who spoke. The week before, and for many weeks before it was a Maysville citizen who spoke. And again this week it is a Maysville woman. You are not asked to act upon the word of a stranger. The best guide since that is humbly possible to give you—the encouraging words of neighbors, is always given.

Mrs. Louisa A. Hiler, 116 W. Front street, Maysville, Ky., says: "The statement I gave in 1908 recommending Doan's Kidney Pills was correct and I am pleased to confirm it. For ten years I had trouble from my back and although I tried various remedies they seemed to do me no good. I had pains across the small of my back and sharp rheumatic twinges in my muscles. I had nervous and dizzy spells, and seemed as tired in the morning as if I had not been to bed. Finally on the advice of a member of my family, I got a supply of Doan's Kidney Pills at Wood & Son's Drug Store. They soon relieved me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## IN DAYS OF OLD

### What Was Doing in Carpentry Work 67 Years Ago—Old-Timers Form a "Trust"

Everything echoing from the from "the good times" sounds well to the ear, especially to the old timers who are living and remember how the people lived and worked during the middle part of the last century.

The following memoranda of the Maysville Carpenters' and Joiners' Union has been handed to THE LEDGER for publication and, upon printing same you may well understand how happy the workmen and laborers must have been in those heavy old days.

Compare labor prices and conditions then and now.

Here follows the interesting old story: Carpenters' Union in Maysville formed April 9th, 1847.

We, the House Carpenters, Joiners and Builders of the city of Maysville, Ky., having experienced very sensibly the necessity of a new bill of prices, to correspond with the change of times and style of work, (the old bill of prices having been in use some thirty years) did, at an adjourned meeting, held on the 9th day of April, 1847, adopt the following bill of prices, pledging ourselves to abide by, and maintain them inviolate.

The work priced in this book is to be done in a workmanlike manner, according to quality. If otherwise, to be redone to its proper value, left to the judgment of the measurer. All work not specified in this book is to be priced by the measurer. In testimony whereof.

We have signed our names  
Jacob Outten Thomas Pickering  
W. M. Corwin James F. Willett  
Thomas Wise F. McClaughen  
M. F. Cockrell G. W. Orr  
George W. Davis M. D. Hord  
Robert S. Power E. Dimmitt

Sixty-five years ago these were the leading carpenters and builders of this city. The names are familiar, but the Cytos of Time has long since cut them down. If the writer remembers correct Mr. G. W. Orr was the last comrade to answer to this roll call. Few are living today who remember these men as a body; the writer only remembering just a few. They were men of sterling worth; no better fellow-citizens ever graced Maysville's record. There were other carpenters in those days who no doubt affiliated with this Union—the Hudys, Bridges, Clarks, Whitesides, Williams, Nicholson, Smith, Miller, Harwood, Walker and many others who have all answered the roll call.

Their bill of prices for work in book form included 82 detailed accounts for the different kinds of work, touching all points of phrase in that day of doing carpenter work which was the now so-called done-by-hand work. What a change. Few carpenters of today could hold a job along with those old time fellows. They would not know which end to begin at. All in the rough was the lumber and it had to be pumbed, jointed, gauged to width and thickness, rip and cross sawed, laid off by hand for doors, sash, blinds, frames and for all other purposes. Labor from start to finish, saw up till sun down; good prices, good wages, no strikes, everybody happy and contented such was the lot of labor in those times. What a contrast today.

**FEATURE** of the forthcoming Chautauqua program in this city will be presented by Boy Scouts. Local leaders under the direction of a skilled leader from Chicago will present an exhibition of scout drills and accomplishments of decided interest. To those unacquainted with the Boy Scout movement a few facts will be of interest. The Boy Scout order originated with Lieutenant General Baden-Powell of England and today has more than half a million members in England, 750,000 in America and 25,000 in Australia. President Taft is honorary president of the Boy Scouts and Hon. Theodore Roosevelt honorary vice president. There are more than 5,000 members of the order in Chicago alone representing Jewish, Catholic and Protestant churches, social settlements, playgrounds and Y. M. C. A.'s.

The object of the movement is character building for boys between the ages of twelve and eighteen. It is an effort to train them in self reliance, manhood, good citizenship and scoutcraft. Scoutcraft includes instructions in first aid to the injured, life saving, tracking, signaling, nature study, camp craft, woodcraft, civility and patriotism. Many scouts have passed the Red Cross examination and received a national certificate. The boys live as much as possible out of doors, camping and hiking, being taught how to pitch a tent, make a hut and tent, light a fire and cook a meal. A scout is a good Indian. You cannot lose him. He takes his direction from the sun by day and the stars by night. He knows trees, plants and flowers and the secrets of animals and birds. He must take the scout oath, the form of which is, "I will do my best; to do my duty to God and my country and to obey the scout law; to help other people at all times; to keep myself physically strong, mentally awake and morally straight."

## CHAUTAUQUA TICKETS

Those For the Season Are Now On Sale

Tickets Purchased by the Local Auspices Will Be Sold While They Last at \$2

In securing the Chautauqua for this city this season, the local committee purchased 1,000 \$2.50 season tickets. These tickets while they last will sell for \$2. After those are gone no more season tickets will be sold for less than \$2.50. Neither will there be any reduction in price of season ticket at any time during the Chautauqua. To attend the Chautauqua by single admission to each entertainment would cost more than \$5.

To buy your season ticket now, however, will not only give you advantage of the reduced price, but will also show your appreciation of the local committee's efforts.

## Sensible Women Know Foundation of Health

As health talks to women become more general, both in the newspapers and on the platform, the mass of women are beginning to realize what the more cultivated have always known, that good health cannot be found in a powder box. The external of health may be obtained in that way, but the basis of health lies deeper, and yet is just as easily obtained.

The most important thing that a woman can do for herself, and about which she is often most neglectful, is to watch the condition of her stomach and bowels. The weary eyes, the bad breath, the frequent headaches, the pinules, the general air of lassitude is nine times out of ten the result of constipation or indigestion, or both. Many simple remedies can be obtained, but the best in the estimation of most women is Dr. Caldwell's Syrup Pepsin. It is mild, pleasant to the taste and exactly suited to her needs. It is far superior to salts, cathartic pills, waters, etc., which are entirely too violent.

Women should see to it that they have at least one movement of the bowels each day, and when showing any tendency to constipation should take Dr. Caldwell's Syrup Pepsin in the small dose prescribed. A brief use of it will so train the stomach and bowel muscles that all forms of medicine can be dispensed with. These opinions are voiced by thousands of women, after personal experience, among them Miss V. L. Moore, 32 Calhoun St., Nashville, Tenn., and Florence Cook, Lucas, Ky.

Anyone wishing to make a trial of this remedy before buying it in the regular way, of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

Why Have "Nerves?"

This is the reason why women have "nerves." When thoughts begin to grow cloudy and uncertain, impulses lag and the warnings of pain and distress are sent like flying messages throughout limbs and frame, straightway, nine times in ten, a woman will lay the cause of the trouble to some defect at the point where she first felt it. Is it a headache, a backache, a sensation of irritability or twitching and uncontrollable nervousness, something must be wrong with the head or back, a woman naturally says, but all the time the real trouble very often centers in the womanly organs. In nine cases out of ten the seat of the difficulty is here, and a woman should take rational treatment for its cure. The local disorder and inflammation of the delicate special organs of the sex should be treated steadily and systematically.

Dr. Pierce, during a long period of practice, found that a prescription made from medicinal extracts of native roots, without the use of alcohol, relieved over 90 per cent. of such cases. After using this remedy for many years in his private practice he put it up in form of Dr. Pierce's Favorite Prescription, that would make it easily procurable, and it can be had at any store where medicines are handled.

Mrs. LITA B. HAWKINS, of Zanes, Va., writes: "I had been falling in health for two years—most of the time was in bed. I was not able to do any household duties. Female weakness was my trouble and I was getting very bad last, thanks to Doctor Pierce's medicines, I am well and strong again. I took only three bottles of 'Favorite Prescription,' and used the 'Lotion Tablets.' I have nothing but praise for Doctor Pierce's wonderful medicines."

## IOWA WOMAN WELL AGAIN

Freed From Shooting Pains, Spinal Weakness, Dizziness, by Lydia E. Pinkham's Vegetable Compound.

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms; shooting pains all over my body, sick headache, spinal weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to Lydia E. Pinkham's Vegetable Compound for my health."—Mrs. HARRIET E. WAMPEN, 624 S. Ransom Street, Ottumwa, Iowa.

Consider Well This Advice.

No woman suffering from any form of female trouble should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.
